## What you gain

- **Reduce your risk** of resident falls with our state-of-the-art technology
- **Improve your response times** with 24/7 monitoring & real-time alerts
- **Generate additional revenue** through Remote Therapeutic Monitoring

Bring dignity to residents and  
peace of mind to caregivers  
and loved ones

## How it works

Our products anticipate fall risks and detect falls, securely alerting caregivers when help is needed.

### ◆ Monitor

The MyRaina sensor discreetly monitors resident movements

### ◆ Interpret

MyRaina analyzes movements to anticipate fall risks and detect falls

### ◆ Alert

MyRaina sends real-time alerts to caregivers
